

ECC Grad Special

Families who have a child that graduated from the 4 year old ECC program or the ECC Kindergarten program in June, 1998 or later will be offered a Temple membership at a 50% discount and free tuition while that child attends Religious School in the Sunday Kindergarten, Primary I and Primary II grades, and a 50% discount on membership while the child attends Aleph. The child must continue attending Religious School from Kindergarten on to be eligible for the continued discount.

If there is an older child, the family will receive the 50% discount on membership until the oldest child is of the age to enter the Bet class. The ECC graduate will receive free tuition in Sunday Kindergarten, Primary I and Primary II.

The family will be required to contribute to the Growth Fund as required. Currently the Growth Fund is \$200 per year for a maximum of five years starting when the oldest child enters the Aleph class (third grade).

****The family will receive High Holy Days Sanctuary Tickets.**

***** Effective April 25, 2002, it was approved by the Board of Directors to offer Sanctuary tickets for ECC special instead of Parallel tickets.***
